BROWNFIELDS CLEANUP ASSISTANCE APPLICATION

Brownfields are abandoned or underutilized properties where redevelopment or reuse is complicated by the presence of real or perceived environmental contamination. The NHDES Brownfields Program provides technical assistance on behalf of municipalities and other public entities for this type of property in the form of site investigation services and limited cleanup services. Entities applying for cleanup assistance must own the subject property. To determine eligibility, please complete the following application form and if necessary, please attach additional sheets to provide the requested information:
